Activity 03: Online Quiz Scorecard

Subject: EWEM - E-Waste & Environmental Management (VEC02)

Student: Shreesh Khamkar | Roll No: 24101B0026 | Class: INFT-B

WAYGROUND ONLINE ASSESSMENT: RECYCLING OF E-WASTE

Platform: Wayground Interactive Learning Assessment

Score: 6,140 pts [+160 Coins] | Accuracy: 80% [8/10 Correct] | Avg Time: 16s/Q

Performance Metrics Summary:

- Questions Attempted: 10 / 10
- Correct Answers: 8
- Incorrect Answers: 2
- Evaluated Competencies:
  1. Mechanical separation and density-based sorting of plastics vs. metals.
  2. Hydrometallurgical leaching processes using acid and caustic solutions.
  3. Pyrometallurgical smelting kinetics and off-gas scrubbing.
  4. Cathode Ray Tube [CRT] glass-to-glass and lead smelting recovery.
